This is a local fundraiser in the greater Houston area. Our team will be filling eggs with candy and delivering for children to have their very own Easter Egg hunts in their own yard. No need to rush to other events with packed parking and hundreds of children.

Whether you are planning this as a special surprise for your own kids, or having a gathering for an Easter egg hunt, Egg My Yard is here to make the experience the best it can be.

You can order 50, 75, 100, or 200 eggs to be delivered to your yard (front or back), or if it is easier, we can drop them off to you. There is an option for shipping eggs to our supporters from all over the United States. Those interested in mailed eggs will have to email us to make sure that arrangements can be made for a timely delivery. We will have a team of volunteers delivering Saturday, April 20 after dusk.

We have two methods of ordering for your convenience. You can complete the online form, which uses PayPal to complete the transaction or the manual form which will require check or money order. Feel free to contact us with any questions.

Please keep in mind that we may be limited in our areas, but we are serving Fort Bend, Matagorda, Brazoria and parts of west Harris County in Texas. Deadline for this event is April 14, 2019.
